The Lord is my light and my help. In this month of January when the days are dark and dreary we desperately search for the new light of longer days. Four weeks ago we celebrated the birth of Jesus, the light of the world. Today we acknowledge once more that He is our guiding light, our shining star. We are, as the first reading says, 'a people that walked in darkness'. We need the light of longer days and, more importantly, we need Jesus the light of the world to brighten up our lives and to show us the way. We can pray with confidence the words of today's psalm:
The Lord is my light and my help. Whom shall I fear?
