Third Sunday of Lent

15 March 2020

St Brigid's Church, Kill

Masses During the Week:

Wed. 18th 9.30am

Fri. 20th 7.00pm

Dear Parishioner,

We are living through a strange and challenging time. As a result of the Government's directive that no gatherings of more than 100 people take place over the coming weeks we have had no option but to cancel all weekend Masses in the diocese until further notice. However, all weekday Masses, Baptisms, Weddings and Funerals will take place, provided that not more than 100 people are present in the churches for these events. It is important that we all play our part in containing the coronavirus and we do that by following the directives, to wash our hands regularly, keep our distance from other people and use tissues when sneezing and then dispose of them.

At this time it is important that people do not panic or worry overmuch. Instead we should pray asking God to protect us and guide us. We should pray too for those who have the virus and for their families and loved ones and for all the doctors, nurses and medical staff on the front-line combating this virus and caring for those who are unwell. We should also pray for those who are in a state of panic, those who feel isolated and lonely at this time. We will pray for you all at the weekday Masses over the coming weeks.
