### Word of Thanks To Ushers

We thank the Ushers in all four churches in the parish who turn up faithfully every weekend and are doing a great job keeping us safe when we come to Mass. It is a big commitment from them all, but without them we would not be able to come together for Mass in a safe way. Míle buíochas go gach duine.

We pray that all those who are starting in a new school will settle in quickly and easily and we wish all staff, pupils and parents every blessing as they return to school. We pray that this coming school year will be a time of grace, growth and joy for all.

### Living Through The Pandemic

It seems clear that we are going to have to live with the Coronavirus Pandemic for some time to come. It will pass, but it will take time to do so. So we must learn to live with it - that is getting on with living our lives as much as we can while at the same time adhering to Government guidelines. We must be careful but we must not become paralyzed by fear. We all have a role to play in suppressing this virus and in doing so we are protecting the most vulnerable people in our community and also the health workers who look after those who are unwell. Just to refresh our memories on the important basics:

- ❖ Wash hands regularly and well
- ❖ Control all coughing and sneezing
- ❖ Keep 2 metre distance from others and limit your social contacts
- ❖ Wear face coverings in indoor public spaces, shops/churches etc

And do not lose heart. This pandemic, like all other pandemics, will pass. The best scientists in the world are working on vaccines - and perhaps early next year we will begin to reap the benefit of their work. In the meantime stay safe and stay strong, take good care and keep up the prayers.

### Face Coverings in Body of Church

During the past week the leaders of all the Christian churches in Ireland issued a joint statement strongly recommending that from this Sun. 30 August 2020 people attending Mass or other liturgies in the church should wear face-coverings. Some people are exempted from wearing face coverings. However, we encourage you, if at all possible, that you do wear a face-covering during Mass.

### Face Coverings in Sanctuary of Church

It may not be possible for those who are in the sanctuary area such as readers and priests to wear masks. However, they should at all times continue to maintain at least two metre physical distancing from one another, and four metre physical distancing from the front row of the congregation. Priests and Eucharistic Ministers must wear masks when distributing Holy Communion
