Month of November

The month of November is a month set aside when we remember and pray for our beloved dead and for all the faithful departed. This November we remember especially all those who died since the beginning of the year. And we pray for all who are grieving the death of a loved one especially those who lost a loved one since the pandemic began. It has been a particularly hard time for them because in some instances they could not be present when their loved one died and they had not the normal support of the community to help them in their grief. May God comfort all who are grieving.

Prayers and Masses For the Dead

Fr Yusuf and Fr Liam will each be saying four Masses during the month of November for your loved ones who have died. They, along with other parishes throughout the country, will be saying special prayers for the dead on this Sunday 1st November at 3pm.

Covid-19 Pandemic

We all have a role to play in reversing the recent rise in numbers testing positive for Coronavirus. Please remember the basic things:

- ❖ Wash your hands regularly and well.
- ❖ Keep two metres apart from others.
- ❖ Wear a mask when required in public spaces.
- ❖ Gatherings in private houses are not allowed.

Webcam

We are investigating the feasibility of installing a webcam in one or more churches in the parish so that Masses, funerals etc can be accessed on line. There are several issues to be considered before final decisions are made - these include such things as finances, availability of broadband, Wi Fi etc. We are continuing to make progress on this and hope to have some developments before the end of November.

Online Masses

Our weekend Masses in the Parish will be online with youtube every Sunday by 10.00am. Simply type: kill drung on youtube. Fr. Yusuf will also share direct link with other parishioners on Whatsapp by every Saturday at the weekend.

Schools

We compliment all the staff, pupils and parents who have worked together to ensure that our schools can remain open. It involved much planning and hard work. Well done to all.

Coping With The Lockdown

- ❖ Stay positive and don't listen to or watch all the media coverage of the virus. Five minutes a day is sufficient to get this news.
- ❖ Wrap up and get outdoors for some exercise and fresh air each day
- ❖ Talk to someone every day either by phone or in person
- ❖ Don't be afraid to ask for help with shopping or other chores.
- ❖ Keep in contact with neighbours who live alone or may be vulnerable.
- ❖ Keep up the prayers

November Prayer

May the prayers of Mary, the Mother of God, who stood
By the cross as her Son was dying,
Help those who mourn and accompany us all

Eternal rest grant unto them, O Lord,

May the souls of all the faithful departed
Through the mercy of God,
Rest in peace. Amen.
