This is a final call asking people not to gather in numbers for Mass on Christmas Eve or Christmas Day. We want to avoid having to turn people away because they cannot be safely accommodated in the churches. We ask you to link in to Mass on line and go to Mass at a quiet time away from the Christmas days. The virus is in our communities and it is highly infectious and dangerous. So we ask everyone to please play your part in preventing the spread of the virus over the Christmas and New Year period. If we do that then we can look forward with great hope to a New Year when, please God, we will be able to mix and move freely once more.

### Word of Thanks to Ushers

We thank the ushers at all four churches in the parish who are doing great work ensuring that people can come to church in a safe way and in accordance with government guidelines. Without these ushers we would not be able to have public Masses so we are very grateful to them. We could do with a few more people to help - so if you would like to volunteer please contact one of the existing ushers.

### Alone

Manage a national support line and additional supports for older people who have concerns or are facing difficulties relating to COVID-19 (Coronavirus). Professional staff available to answer queries and give advice and reassurance.. The support line is open seven days a week, 8am - 8pm by calling 0818 222 024, and will remain open over the Christmas period.

### Masses on Line

We now have a webcam installed in both Bunnoe and Drung churches and as Masses from these churches will now be available online we want people who will be attending Mass in either of these churches to be aware of this. It is great to have Masses available online from our parish but it is important that those who attend Mass in either Drung or Bunnoe churches are aware that they will, most likely, be appearing on line. The Masses from both of these churches are available on [www.churchtv.ie](http://www.churchtv.ie)
