3. Talk to someone every day - either by phone or in person
4. Get into a good pattern of eating and sleeping
5. Get exercise wherever and whenever you can.
6. Look out for others in need and help them when you can.
7. Pray each day and link in to Masses online.
8. Remember, the pandemic will end and there will be brighter days ahead.

The Gift of Hope

Hope is one of the great Christian virtues and it must be nurtured in each one of us. These are challenging times for us as we try to cope with a pandemic that will soon be a year old. St Paul has good advice for us in his Letter to the Romans 12:11. He says '*If you have hope this will make you cheerful. Do not give up if trials come and keep on praying.*' So keep up the spirits, do not lose heart and keep on praying. Be patient and do nothing to endanger your own health or the health of others.

Being a Good Neighbour

During the lockdown and the winter time of the year of the year we ask that you be especially vigilant and look out for elderly neighbours, those who live alone and may be feeling isolated and lonely. Just make a phone call or call to their door to make sure that they are warm and have food in the house. Usually all that is needed is a friendly voice and a listening ear.

Getting Exercise

It is important that if possible that we get a bit of exercise and fresh air each day. It is good for the mind and the body. It helps to reduce anxiety and depression. So exercise well but please do so with care.
