Mick Devine will host a workshop via zoom on this topic on March 27th, from 10.00am to 12.30pm. Families that live with addiction experience shame, guilt and anxiety and feel it is 'all my fault.' The pressures of the past year have made this even harder. Recovery is possible. This workshop will offer positive tools for managing addiction in the family so that all family members can work towards greater wellbeing. Cost €10 or €20 per family.
