Registering For Covid-19 Vaccine

Vaccinations are progressing very well with people now in their 40s able to register. We thank all who have already received the vaccine because in doing so you are not only protecting your own health but the health of others in the community. The positive effects of the vaccine are obvious with reductions in the numbers of people in hospital, in ICU and in the number of fatalities. We encourage all who have not received the vaccine to register for it as soon as you can. You may register online on www.vaccine.hse.ie or by phoning 1850 24 1850.

First Communion & Confirmation

The Government has issued a statement saying: 'It is advised that religious ceremonies such as First Holy Communion and Confirmations should not take place in May or June.' Because of this we cannot now proceed with the celebration of the Sacraments in the second half of June as we had provisionally planned. Instead we will, over the coming days, set new provisional dates for the celebration of the Sacraments in the parish in the first half of July.
