Registering For Covid-19 Vaccine

Vaccinations are progressing very well with people now in their 50s receiving the vaccine. We thank all who have already received the vaccine because in doing so you are not only protecting your own health but the health of others in the community. The positive effects of the vaccine are obvious with reductions in the numbers of people in hospital, in ICU and in the number of fatalities. We encourage all who have not received the vaccine to register for it as soon as you can. You may register online on www.vaccine.hse.ie or by phoning 1850 24 1850.
