God our Father, you have given us the earth and sky and seas.  
Show us the way to care for our world, not just for today

Or destroy the beauty of your creation.  
Send forth your Spirit to direct us, to care for our world  
And for all creation. Amen.

We thank God, for the skill and professionalism of his doctors and nurses both in Dublin and London and for the wonderful progress he has made to date. The Jackson family are very aware of and greatly appreciate all the prayers, the goodwill, and support of people not just in this community but also much farther afield. This support, kindness and prayers has helped them through what has been a very difficult time.
