Restoration of Kill Old Cemetery

Many of you are aware that a new cross-community committee has been set up to restore Kill old graveyard. The committee is determined to restore the graveyard in such a way that it will be safe for people to access and that all information about this historic church site and graveyard will be made available. It is a major task and will take time and we are working in conjunction with the Heritage Council of Ireland, Cavan Heritage officer and Cavan County Council. In accordance with the guidance of the Heritage Council of Ireland we will, in the coming weeks, be putting some sheep in to the graveyard to eat down the huge amount of foliage and growth in a way that will not do any environmental damage. For safety reasons the graveyard will be locked over the coming month. However, if anyone does want to get access to the graveyard they may do so by contacting either Gerry Brady or Jim Kincaid. If you have any queries about any of these matters please contact Fr Liam at 087 9877739.
