Preparing For the Future

We are as a church and society going through a period of profound change. Pope Francis put it this way: 'We are not living through an era of change, we are living through a change of era.' In order to prepare for that change people are being asked for their views. Please bring one of the questionnaires you will find at the back of the church home with you, fill it in and return it either to Fr Yusuf or Fr Liam not later than next weekend. Thank you.
