### Preparing For the Future

We are as a church and society going through a period of profound change. Pope Francis put it this way: 'We are not living through an era of change, we are living through a change of era.' In order to prepare for that change people are being asked for their views. Thanks to everyone who filled in the questionnaire during the past week and returned them this weekend. Your responses will be forwarded to the diocese during the coming week. Thanks also to all the parents who attended the meeting in Bunnoe Community Centre on Wed. last and shared their views on the church in these changing times.
