### Work on Kill Old Cemetery

As you know an inter-church committee has been working away over recent months drawing up plans for the restoration work on Kill old cemetery. Work will start on the old cemetery in Kill on Saturday 23<sup>rd</sup> April at 10am. We are looking for volunteers to help with this work which will start on next Sat. week. We need people to come prepared with tools, wheelbarrows, chain saws, tractors with transport boxes or trailers. Restoring this ancient and historic graveyard will be a big job and will take time. But we are determined to go about it in the right way but to do so we need the help and support of the whole community. So we encourage as many as possible to volunteer and turn up on Sat. morning 23<sup>rd</sup> April and, please God, we will get a good start made to this important work on that day.
