Work on Kill Old Cemetery

Sincere thanks to all the volunteers who turned up on this Saturday to begin the work of restoring the old cemetery here in Kill. Restoring this ancient and historic graveyard will be a big job and will take time. However, as they say in Irish Tús maith leath na hoibre - a good start is half the battle. We have made a good start and will, please God, over the coming months continue to make progress with the restoration. Our hope is that it will be a place where people can visit safely to pay their respects to the dead and learn about this important sacred and historical site. We will need your continued support to complete this work.
