Parish Pastoral Council

The Parish Pastoral Council met on Tue. evening last. Reports from each of the recent Church area meetings were given at the meeting. In summary it was stated that people were aware of the scarcity and age profile of priests and inevitably that this will lead to changes, particularly fewer weekend Masses in the parish. People were said to be flexible and willing to accept that changes are coming. Our thanks to everyone who attended the church area meetings, discussed the issues and expressed their views.
