Most Blessed Trinity

The 'name' of the Most Holy Trinity is in a certain way impressed upon everything that exists, because everything that exists, down to the least particle, is a being in relation, and thus God-relation shines forth, ultimately creative Love shines forth. All comes from love, tends toward love, and is moved by love, naturally, according to different grades of consciousness and freedom." - Pope Benedict XVI

Exam Prayer

Lord, I know you are with me and love me.

Give me peace of mind as I prepare for this time of study.

Help me to focus on my books and notes.

Keep me from all distractions so that I will make the best use of this time that is available to me.

Give me insight that I might understand what I am studying, and help me to remember it when the time comes.

Above all, I thank you for the ability to be able to study and for the many gifts and talents you have given me.

Help me always to use them in such a way that they honour you and do justice to myself.

Amen

We wish those who are doing Exams around this time the very best of luck and every success. God bless your efforts.
